

LEADERSHIP MBA

11 Core Courses | 4 Elective Courses | One Capstone Course

STRONG LEADERS ARE SHAPED BY REAL-WORLD EXPERIENCE

At LFGSM, we believe that it takes a leader to make a leader. Learn from faculty mentors who know how to put you in the position to succeed as a business leader.

Our Business Leader Faculty, comprised of 100% business executives, are not the only mentors at Lake Forest Graduate School of Management.

The colleagues you network with in class are like-minded, practical professionals themselves, with years of experience in real-world businesses to draw from.

CORE COURSES BUILT FOR IMMEDIATE IMPACT

The core of our MBA is built on eleven areas critical to contemporary leadership, and one Capstone course.

CORE COURSES:

- Effective Leadership
- Strategic Thinking
- Accounting For Decision-Making
